DO NOT LOSE HOPE

Rheumatism Is Cured Every Day by a Treatment That Really Cleanses the Blood of the Rheumatic Poisons.

Why are there so many failures in the treatment of rheumatism? Why are so many sufferers resigned to a life of pain, desiring of a permanent cure?

Because rheumatism is any treatment that does not build up and purify the blood. The poisons of rheumatism are in the blood and it is only through the blood that the disease can be fought successfully.

Unless the blood is weak and impure, rheumatism cannot get a foothold. When it does the thin and pure blood is not strong enough to overcome the poisons alone. It must be strengthened and purified. Dr. Williams' Pink Pills for Pale People are the best blood building medicine you can take.

Mrs. Walter Anderson, of R. F. D., Valdez, Kansas, says: "When I was about thirteen years of age I had a severe attack of inflammatory rheumatism in my limbs, which were terribly swollen. I suffered intense pain and from that time until I took Dr. Williams' Pink Pills I suffered a general weakness. There was a constant pain through my head and I never saw a well day. I was weak, generally run down and had no ambition to work. My blood was thin and I lost in weight. I was tired and languid all of the time. I had no appetite and my stomach was out of order. Whenever I was chilled I was troubled with rheumatic pains in my limbs. I was very nervous and was often confined to bed for a week. The doctors did not do me a particle of good and they did not seem to know what ailed me. After being under their care for some time, my father decided to have me try Dr. Williams' Pink Pills. I could see that they were helping me after taking a few boxes as my strength came back and my headaches disappeared. I have been in very good health since."

A booklet, "Building Up the Blood," containing helpful information about rheumatism, after-effects of the grip and fevers, anemia and chlorosis, will be sent free upon request. Dr. Williams' Pink Pills are sold by all druggists, or will be sent, postpaid, on receipt of price, 50 cents per box; six boxes, \$2.50, by the Dr. Williams' Medicine Co., Schenectady, N. Y.

Leonard Cleanable Refrigerator

You never thought of tracing that last spell of sickness to your refrigerator, did you? And yet it is quite possible that the blame should be placed right there. Suppose you go right now and examine your refrigerator.

Just smell inside of it. Germs throw off a gas while digesting the grease which you have wiped into the scratches in the white enamel, into holes made for shelf supports and other cracks and crevices, or left on the uncleanable galvanized iron, and this gas is that horrible smell; but the product of their digestion is poisonous and deadly poison. Then think of the

Leonard Cleanable Refrigerator

Think of the smooth, white porcelain lining, all in one solid piece, so easy to clean. Not a crack, hole or crevice for germs to hide. Then, tomorrow, as soon as you can get down, come and SEE and order a Leonard Cleanable—the finest refrigerator made.

Europe is fast one of the most critical weeks in her history. It may end in a war in which the whole continent will be involved, or it may be remembered as week in which diplomacy succeeded in solving problems that appear insoluble.

There is much excitement over the possibility of war between Austria and Russia. Reports that mobilization is imminent are officially denied. On the contrary, it is said Austria will wait until the war is ended before opening formal negotiations with Serbia.

It is announced that Archduke Franz Ferdinand will visit the German Emperor in one of his shooting boxes, and much importance is attached to this meeting.

Newspapers widely differing in politics, as the Neue Vremya and the Rech, denounce Austria's efforts to prevent Serbia from taking the fruits of her victory.

J. A. Wayland, founder and owner of the Appeal Reason, a Socialist weekly newspaper published in Girard, Kansas, shot and killed himself in his home in this city early today.

Between the pages of a book lying on the bed the following note was found: "The struggle under the competitive system isn't worth the effort; let it pause."

A wreck in which perhaps thirty persons were killed and at least fifty other persons were hurt, occurred on the Yazoo & Mississippi Valley Railroad near Natchez, about seventy miles north of New Orleans, today, when a through freight crashed into the rear end of an excursion train of ten coaches.

Freddie Welsh, the former lightweight champion pugilist of Great Britain, and Matt Wells, the man who stripped Welsh of his title, are to meet in a twenty-round contest before the National Sporting Club in London, tomorrow night.

Jack Johnson, the big black pugilist, through his attorney, Benjamin A. Bacharach, today filed a motion in the Supreme Court of the United States asking to be permitted to give bail pending the hearing before the United States district court in Chicago on an indictment charging Johnson with a violation of the Mann "White Slave" traffic law.

The department of justice is making a strenuous effort to push to a close as soon as possible all the pending anti-trust prosecutions of the Taft administration. The taking of testimony in the suits will have been completed, it is said, and the cases brought before the courts for decision before the Republican administration expires.

The British cabinet was defeated today by a vote of 223 against 206, on an amendment proposed by the Unionist party to a financial clause of the Home Rule bill while it was under discussion in committee of the house of commons.

Going deeper into his adventures as a paid dynamiter, Artie E. McManis, in the "Dynamite Conspiracy" trial today, told of wrecking bridges, viaducts and buildings he left behind, causing various explosions in various cities.

SOMETHING FOR MOTHERS.

This is the season of the year when mothers feel very much concerned over the frequent colds contracted by their children, and have abundant reason for it, as every cold weakens the lungs, lowers the vitality and paves the way for the more serious diseases that so often follow. Chamberlain's Cough Remedy is famous for its cures, and is pleasant and safe to take. For sale by all dealers. Benson, Smith & Co., Ltd., agents for Hawaii.

A WORD TO WOMEN ON HEALTH

Women are generally careful about the state of their health, and they are apt to make good use of remedies known as disease preventives. Germicides and antiseptics are included in this class, but the greatest care should be exercised in using any which contain poisons, unless prescribed by a physician.

By reason of its absolute safety and its beneficial results, physicians have strongly recommended Tyre's Antiseptic Powder. It is unequalled as a preventive of contagious disease, healing diseased tissues, ulcers and delicate membrane passages, and ideal as a douche. A 25-cent package makes two gallons standard solution. Sold by druggists everywhere. Send for booklet and free sample. J. S. Tyre, Chemist, Washington, D. C.
